Gurbani: The Light House To Enlighten Humanity

Rising materialism is eroding ethics from society. The race of owning more and more wealth is virtually the race for the demolition of the social, cultural and moral values. The brotherhood spirit is being lost even within the families. The fissuring relationships are spinning siblings and parents into rival forces. The root cause for the misery is detachment from our rich heritage. The majority of academic, religious and social institutions have turned into just business entrepreneurs and are least bothered about the moral reconstruction of society. The religious scriptures are not being followed in letter and spirit but are only read or worshipped in materialistic greed. The very purpose of religion to teach humanitarian values has lost and we have forgotten to become a student. Sri Guru Nanak Dev Ji, the first Sikh Guru spearheaded the campaign of developing 'Truthful Human Beings' by educating humans to be 'students' (Sikhs) and thus His mission is known as Sikhism. The words of His wisdom are light house to enlighten humanity. Listening even to his single teaching enlightens one's mind to understand the truth that there is only one Giver of all souls and one shall not forget Him. Gurbani affirms:

ਮਤਿ ਵਿਚਿ ਰਤਨ ਜਵਾਹਰ ਮਾਣਿਕ ਜੇ ਇਕ ਗੁਰ ਕੀ ਸਿਖ ਸੁਣੀ॥
ਗੁਰਾ ਇਕ ਦੇਹਿ ਬੁਝਾਈ॥ ਸਭਨਾ ਜੀਆ ਕਾ ਇਕੁ ਦਾਤਾ ਸੋ ਮੈ ਵਿਸਰਿ ਨ ਜਾਈ॥
(Sri Guru Granth Sahib Ji, Ang-੨)

There is need to spread the message of Gurbani to humanity for the welfare of mankind. Guru Ji has blessed Dr. Varinderpal Singh to contribute for the cause by authoring academic books for school curriculum of various subjects in the light of Gurbani. The specialty of the books is that the students will not only acquire academic knowledge of different subjects but also imbibe moral and cultural values of rich heritage to be developed as 'Truthful Human Beings'. In 2010, his hard work lead to publication of **Jeeveey Gurbani Naal** book series consisting of twelve books for 2nd to 9th standard students. These books have been well received, appreciated and included in curriculum of hundreds of academic institutions. I am pleased to know that he had penned a new series of more than a dozen books titled – **Gurmukhi Akhkhari Card** (two volumes), **Gurmukhi Akhkhari Giaan**, **Gurmukhi Akhkhari Abhiaas**, **Punjabi Abhiaas Pustak** (four volumes), **Atam Pargas Art Book** (two volumes), **Atam Pargas Scrap Book** (two volumes), **Sikh History Cards** (English - two volumes) and **Sikh Itihaas Card** (Punjabi - two volumes).

I extend my heartiest congratulations and greetings to Dr. Varinderpal Singh and Atam Pargas Social Welfare Council for unique and marvelous publications. All India Pingalwara Charitable Society, Sri Amritsar is grateful to include these publications in the syllabus of its schools. Everyone shall play his role in carrying forward the Atam Pargas mission of developing students as 'Truthful Human Beings'. I wish that many more academic institutions will introduce these publications in their school syllabus for the benefit of students and society.

Upbringing Of Tiny-Tots In Accordance With Gurmat

In the materialistic pursuit of worldly needs, the religion is being used only as a tool. The history is being presented as amalgamation of myths and miracles to spread superstitious beliefs. Human beings are being turned into rascals. In the name of modernisation, a destructive game is being played to the detriment of society. The consumption of drugs, vulgarity, indiscipline and misconduct is being openly encouraged. The tradition of west looking towards east for moral values has turned on its head which indeed is very unfortunate and painful.

In view of this degradation of the society, Atam Pargas Social Welfare Council is spearheading a campaign to provide a new direction for the development of society. We are of view that the foundation for building an ideal character has to be laid during the childhood as the child's mind is a blank slate on which anything can be written for long lasting impression. Atam Pargas Social Welfare Council has nursed a dream to develop tiny tots as truthful human beings by combining academic knowledge and ethical values.

To cater to this need, Dr. Varinderpal Singh had written a series of twelve books titled **Jeeveey Gurbani Naal - Sulekh Mala**, **Jeeveey Gurbani Naal - Rang Mala** and **Jeeveey Gurbani Naal - Chittar Mala** each in four volumes in 2010. Hundreds of educational institutions have shown great enthusiasm to include these in their syllabus. In view of the constant demand from these institutions for new books for the primary students, Dr. Varinderpal Singh has written more than a dozen more books for tiny tots titled - **Gurmukhi Akhkhari Card** (two volumes), **Gurmukhi Akhkhari Gitaan**, **Gurmukhi Akhkhari Abhiaas**, **Punjabi Abhiaas Pustak** (four volumes), **Atam Pargas Art Book** (two volumes), **Atam Pargas Scrap Book** (two volumes), **Sikh History Cards** (English-two volumes) and **Sikh Itihaas Card** (Punjabi-two volumes). The students while working on these books will not only learn their mother tongue, spellings and vocabulary of Gurbani but also gain knowledge of our rich heritage to become good citizens.

Atam Pargas Social Welfare Council is grateful to Almighty for providing us the opportunity and strength to publish this noble work. I extend my sincere thanks to all the members of Atam Pargas Social Welfare Council for their valuable suggestions, untiring efforts and moral support for successful completion of the project. We are confident that the inclusion of these books in the school syllabi of nursery to 9th standard will be of immense help to the managements of academic institutions in their noble endeavour of imparting value based education to the students.
